Instructions for Claiming CE Credit

2012 EHEALTH SUMMIT
September 17-18, 2012
Hyatt Regency Lexington

IMPORTANT! The deadline to claim credit online is November 10, 2012.

At the conclusion of the activity:

1. Open your Internet browser (Internet Explorer, Firefox, Safari, AOL, etc.) and go to **www.CECentral.com/getcredit.**
2. In the box marked 'Activity Code', enter **XLS13010** and click 'Search'.
3. The appropriate activity details will display; click 'Proceed to Credit' on the right hand side.
4. If you are not signed into CECentral.com, you will either need to log in or create an account (free of charge).

    a. Create ID by filling out the one time information screen.

    b. If you are not automatically logged in, please return to step 1 and proceed from there.
5. CECentral will ask you to check all the sessions you attended. Please do so to receive a complete, correct certificate.
6. Check the box at the bottom verifying your attendance and click Submit
7. Complete the evaluation and click submit.
8. Your certificate will appear; you can print it or view it later by clicking 'Transcript' in the grey bar at the top of the page.

If you experience any difficulty in claiming credit online, please call the CECentral.com Support Desk at 859.218-0331 between 8:30 am - 5:30 pm ET, Monday-Friday.

IMPORTANT! The deadline to claim credit online is November 10, 2012.

Objectives for eHealth Summit 2012

1. Opening Remarks
   a. Provide a high level overview of federal ehealth initiatives and the impact on Kentucky
   b. Provide a current report from the Governor's Office of Electronic Health Information and the Kentucky Health Information Exchange

2. Behavioral Health is Essential to Good Health
   a. Explanation of the essential role good behavioral health plays in overall physical health and how this principal drives SAMHSA policy
   b. Description of the current development of a 42 CFR 2 compliant consent form and consent explanation document for Kentucky
   c. Description of development of HIE interoperability initiatives for behavioral health and primary care in Kentucky

3. ONC Initiatives and Consumer Engagement
   a. Overview of current eHealth Initiatives sponsored by ONC
   b. Overview of Consumer Consortium on eHealth Activities
   c. Importance of consumers as stakeholder in their healthcare

4. Meaningful Use Stage Two
   a. Learn to identify and analyze barriers to attaining Stage 1 MU
   b. Learn best practices developed by others in resolving common Stage 1 MU barriers.
   c. Learn best practices for managing the attestation process for small and large practices
   d. Learn specific registration and attestation guidance from KY Medicaid

5. Vendor Management
   a. Learn to identify and analyze vendor issues which may become barrier to attaining Stage 1 MU
   b. Learn best practices developed by others in resolving common vendor issues.
   c. Overview of Interoperability issues related to eHR vendors and connectivity to KHIE.

6. Health Literacy
   a. Demonstrate need for greater attention on consumer education to engage individuals in the use of health information technology to improve personal health and wellness.
   b. Evaluate role of data transparency and its impact on consumer decision-making and transforming to a value based health system.
